Dear Prof Yaobin Chen,

We are pleased to submit an original research article entitled “On Determinism of Game Engines used for Simulation-based Autonomous Vehicle Verification” for consideration of publishing in IEEE Transactions on Intelligent Transportation Systems.

We confirm that this work is original and has not been published elsewhere and is not currently under consideration for publication elsewhere. We have no conflicts of interest to disclose.

Thank you for your consideration.

Sincerely,

Dr. Greg Chance, PhD, CEng,
